

Strategic Perspective Plan for the Academic Year 2015-16

Sl. No.	Date of the Event	Dept./Committee	Name of the Event	Details
1	1-8-2015	Naipunya club	Guest talk on Introduction to MS - Excel	B. Tech students will give the guest talk on MS Excel to the students of ZPHS Pudur. This talk will give the details of the MS Excel along with its importance, flexibility and application.
2	22-8-2015 to 24-8-2015	Naipunya club	3 day training program on welding	Its a hands-on session on welding to train the unemployed youth of nearby rural communities, to help them in starting their own workshop or to get a job in industries
3	1-9-2015	Naipunya club	General interaction on Applications of Mathematics in Engineering	B. Tech students will interact on Applications of Mathematics in Engineering. This interaction will help the students of Upper Primary School, Yellampet to understand the importance and applications of mathematics in solving complex engineering applications.
4	17-10-2015 to 19-10-2015	Naipunya club	Hands on session on Lathe machine	Its a hands-on session on Lathe Machine to train the unemployed youth of nearby rural communities, to help them in starting their own workshop or to get a job in industries This session involves turning in reducing the diameter of the cylindrical part and reducing the length of a metal bar. Threading, grooving and tapering kind of operations will be trained.
5	13-2-2016 to 15-2-2016	Naipunya club	Training program on Black Smithy related works	Its a Training program on Black Smithy related works to train the unemployed youth of nearby rural communities, which may help them in starting their own workshop or to get a job in industries. This session involves heating and shaping the hot red metal into few shapes.
6	20-2-2016 to 22-2-2016	Naipunya club	Hands on exposure on CNC Turning Machine	Its a hands-on exposure on CNC Turning Machine to train the unemployed youth of nearby rural communities, to help them in starting their own workshop or to get a job in industries. This session focuses trains to use the CNC turning machine with the help of computers to do the operations like Threading, grooving and tapering.
7	12-3-2016 to 14-3-2016	Naipunya club	Hands on exposure session on House wiring and repairing	Its a hands-on exposure on House wiring and repairing to train the unemployed youth of nearby rural communities, to help them in starting their own workshop or to get a job in industries. This session deals with the process, methods, connections and required tools to do house wiring and repairing.
8	19-3-2016	Naipunya club	Demonstration on working principle and operation of generators	B. Tech students will give the guest talk on Principle and operation of Generators to the students of ZPHS, Ravalkole. This talk will give the details of the principle of Faraday's laws and its applications in the generation of electricity

Naipunya Club - Strategy Document

1. Club meeting is conducted at the beginning and end of each academic year.
 - a. Activities and action plan should be discussed at the beginning of the academic year
 - b. Review of the activities which are conducted should be done at the end of academic year
2. Students will be registered for committee.
3. A brief synopsis should be given by the club on the importance and objectives of the club.
4. Club should have frequent interaction with the authorities of rural communities.
5. Activities should be planned as per the feasibility.
6. Students are encouraged to participate actively in the committee activities.
7. Committee has given instructions and suggestions to the students about the implementation of the events.
8. Committee should validate the events with reference to the feedback and outcomes of the event
