Report on AI applications and Python Data Structure

A seminar was conducted on “AI applications and Python Data Structure” on 17/08/2019 under the club THE AI MIND.

Mr. Shravan Kumar, student coordinator of the club was invited to deliver seminar on the said topic.

Thirty two student members are attended in the program.

The following topics were discussed during the session.

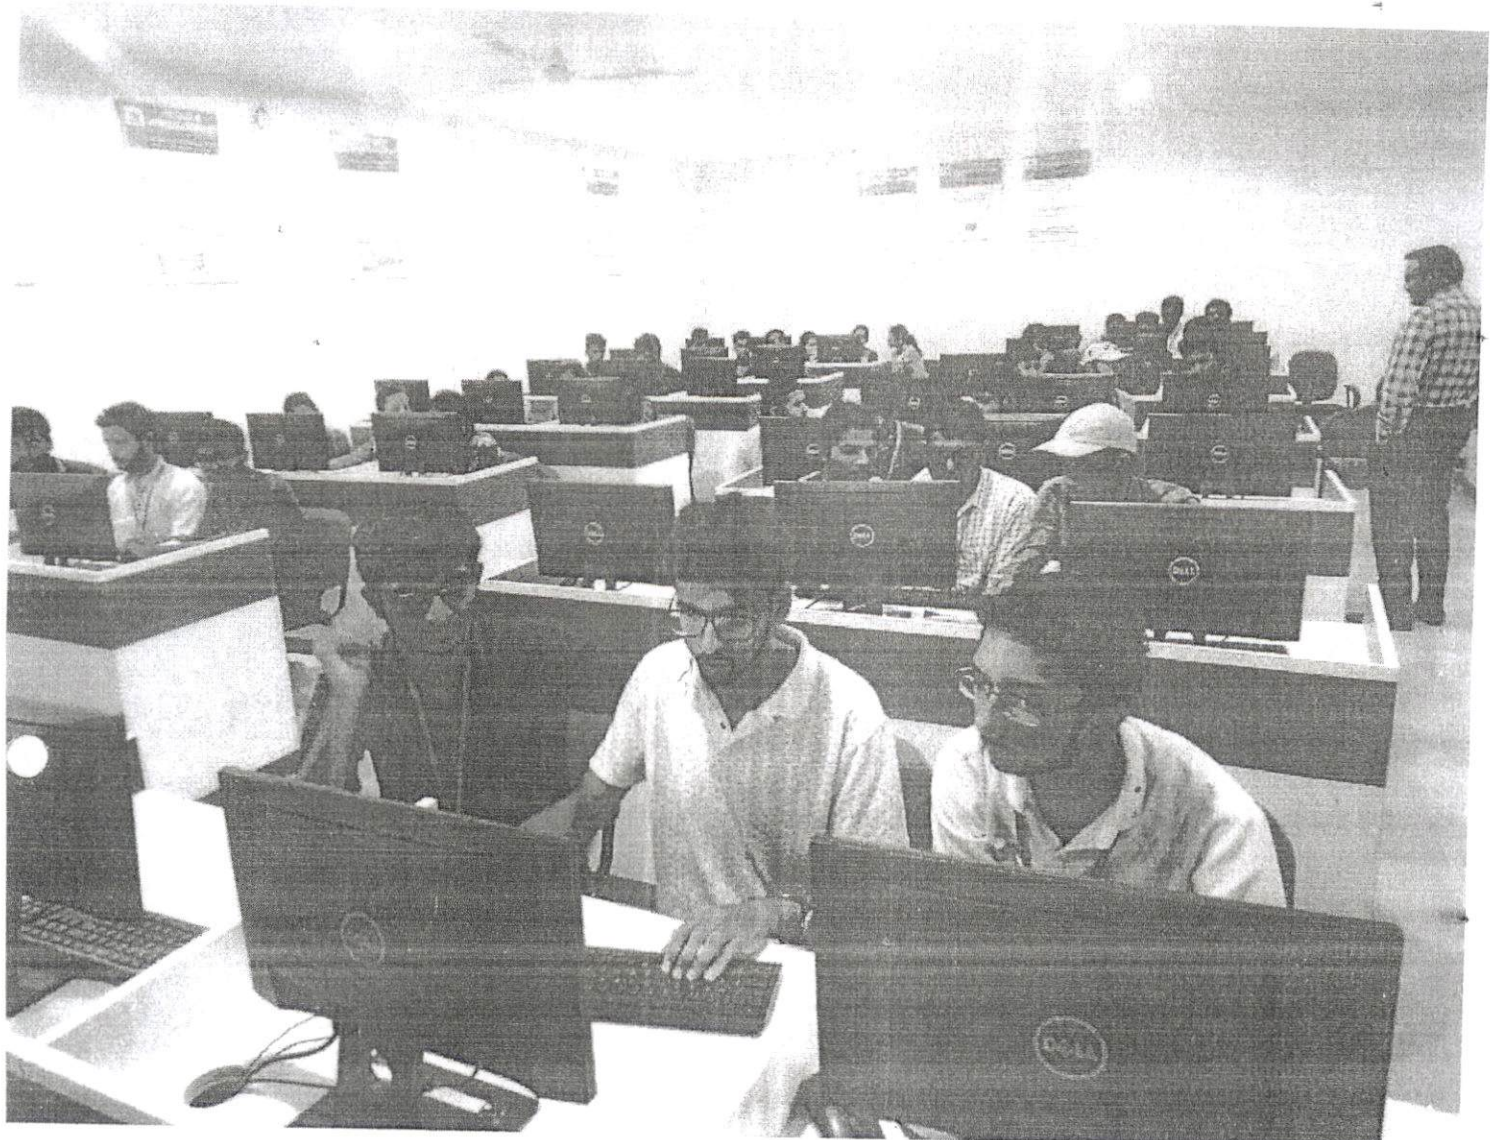

- Introduction to AI
- Existing and possible applications of AI for real life problems
- Short introduction to Python as a programming environment for AI development
- Data structures in Python
- Interactive session

The students are very much gratified with the program.

Dear Sir,

Sub: Requesting permission to conduct a seminar on Data Preprocessing and Gaussian Normalization under "THE AI MIND" Club on 22/8/2019

I, Dr. Sarat Chandra Nayak, Convener of the "THE AI MIND" club and Associate professor of CSE department requesting your permission to conduct the said event.

Date of Event : 22/8/2019

- Name of event: A seminar on Data Preprocessing and Gaussian Normalization by **Mr. Shravan Kumar**, student of CSE and **Coordinator** of the club.
- Venue of event: Computer Center- Block-II
- Target audience: Student members
- Resources required from college – Projector, Computer, Mike

I request you to grant me permission and do the need full.

~~Thanking you~~

Yours sincerely.

Report on Data preprocessing and Gaussian normalization

A technical seminar was conducted on the topic "Data preprocessing and Gaussian normalization" on 24/08/2019 under the club THE AI MIND.

Mr. Shravan Kumar, student coordinator of the club was invited to deliver seminar on the said topic.

Twenty five student members are attended in the program.

The following topics were discussed during the session.

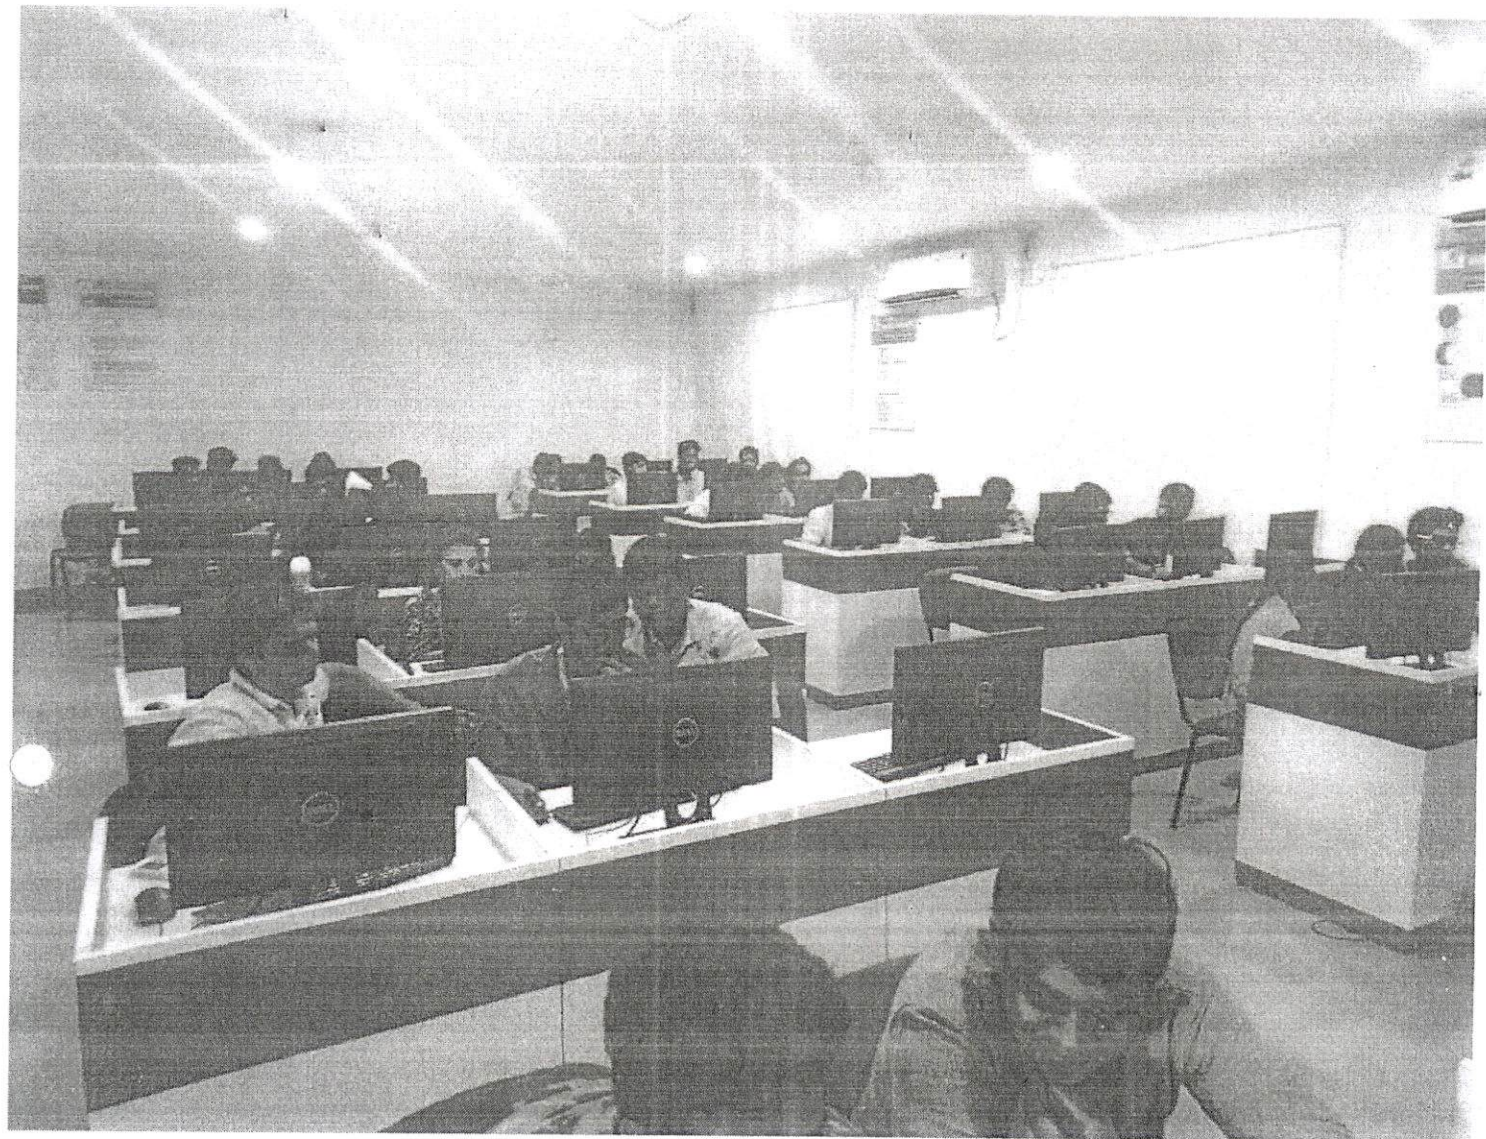

- What is data preprocessing
- Essential of data preprocessing
- What are the preprocessing methods used in data mining
- Gaussian normalization
- Simulation of few normalization methods for real data set on python

The students are very much gratified with the program. The session was active as well as interactive.

Academic Year: 2019-20

THE AI MIND CLUB

MINUTES OF MEETING

Date: 30.10.2019

Time: 2:30-3:30 PM

Venue: Computer Center, B-II

Chaired By: **Dr. V. A. Narayana, Principal**, CMR College of Engineering & Technology
The chairman welcomed all the committee members.

Agenda: Progress of club activities

Minutes of Meeting:

A meeting was conducted by "THE AI MIND" Club to review the events conducted in the current semester and to discuss the various events to be conducted for the Academic Year 2019 – 2020.

- The Chairman, **Dr. V. A. Narayana** welcomed all the members.
- All the events conducted so far were discussed.
- The additional events that were conducted if any and missed out were asked for.
- The events that were part of the agenda but were not conducted were also discussed and the reasons for not being conducted were discussed at length.
- The events that were planned for the next academic year were also discussed.
- Inputs were sought about the other events that can be included as part of the club.

Resolution:

The Club committee members appreciated one another for the successful completion of the events completed for the academic year on the agenda and were braced up with the list of events for the next academic year.

The meeting concluded with the Chairman thanking the members for their valuable suggestions.
