MINUTES OF MEETING - EQUAL OPPORTUNITY CENTRE (EOC)

Minutes of the first meeting of EQUAL OPPORTUNITY CENTRE(EOC) held on **16-05-2017** at 02: 00PM in CMR College of Engineering & Technology.(R.No: 124, Block II)

Members present:

1. Chairman: Major. Dr. V. A. Narayana, Principal of CMRCET
2. Convener:
3. One faculty from Each Department
4. One Students member from Each Department

The chairman Major. Dr. V. A. Narayana welcomed all the committee members.

Item 1:

Four events were planned and conducted successfully in the academic year 2016-17, with due support from the management and the committee members of EOC.

Item 2:

1. Programs to be conducted in academic year 2017-2018 are as under.

S No	Name of the Event/Activity	Date	Venue
1	A seminar programme on personality Development	2/9/2017	CMRCET Auditorium Block - II
2	Medical Health Checkup Camp for students with disabilities	11/12/2017	Seminar Hall, Dept of EEE
3	work shop on Entrepreneurship and incentives provided by state and central government	04/01/218	Seminar Hall, Dept of Civil
4	The sports meet for students with disabilities	12/03/2018	Sports Ground

Item 3: To discuss about the events to be conducted under EOC for a create awareness Student provides counseling and vocational guidance to the children suffering from physical and strength for the health problems. For the Academic Year 2017-2018

Report on One day a seminar on personality Development

As part of a wakeup call to all students of **CMR College of Engineering and Technology** "Seminar on personality Development" is conducted on 2nd September, 2017. The main contents of the seminar program were displayed on Presentation Prepared by Dr. B Dean Kumar. The one day sessions were focused on below mentioned topics.

- 1) Goal Setting
- 2) Time Management
- 3) Listening Skills
- 4) Leadership Skills

Goal Setting Process there was 12 main steps of Goal setting which were very useful for setting the goals. Then exercise was given to students to write about their personal Social, Professional, Financial, and Health Goals. Time Management Skills. There were a 5 Time Stealers which stops us to achieve our Goals. Time management exercise was given for 3-4 mins. The exercise of presentation of students to reduce Stage Fear was done by each and every student for 30 Secs. Students were free to select the topics, what they have to present among all students. Activity for proper listening communication. Trainer told online to someone and it was passed to each other, in the last all wondered that the line she told was Completely changed due to improper listening & communication.

The resource person of the seminar was the professor Dr. B Dean Kumar. The Seminar was presided over by the principal of the college Major. Dr. V. A. Narayana expressed the importance of leadership and personal effectiveness in present environment. The introductory remarks were made by the IQAC Coordinator of the college Kotishwar, all the HODs and faculty members were participated of this seminar. Dr B Lokeswara Rao highlighted on the change in the mindset to face competition and enhance leadership skills.

All the Department students were present. The seminar was conducted by the professor on an activity based mode in addition to lectures and video clippings. Discussions were also held to make students learn to think collaboratively and also work under competition. All the students participated actively in all the activities. The feedback obtained from the students revealed that:

1. The program was excellent;
2. It was useful to them in enhancing their communication and leadership skills;
3. They need workshops of this kind to be conducted again

Outcomes:

Participants come away with practical guidance on understanding personality with immediate applicability in the classroom, and other areas of their professional lives.

In this section, participants are to be provided with theoretical knowledge with regard to nature, types and outcomes of various interpersonal relationships in relation with Transactional Analysis

Report on Entrepreneurship and Incentives Provided by State and Central Government

The objective of the Equal opportunity Cell is to help and empower the students. In this connection Equal Opportunity cell made an attempt create awareness about the financial assistance for the students in their career. On 4th January, 2018 Equal opportunity cell of CMRCET organized an awareness program on how to apply Scholarships through Internet facility by Associate professor Balaram.

Where in the students of our Committee has given the right resource as to how the Scholarship is to be applied through online or Internet resources. Which is benefitted to the students and also giving the knowledge about available scholarships which will be useful to the growth.

The Directive Principles of the State Policy provide to promote with special care, the educational and economic interests of the target groups. To achieve the objectives of "Equality" with many facets, Govt. of India as well as State Govt. has been striving for socio-economic development of the people of these communities through administrative orders and through schemes / projects plan process. No doubt, there has been perceptible changes in the social and economic condition of the target group but unfortunately the measures taken so far have not been able to fully eradicate illiteracy, poverty and above all the social stigma attached, because the approach so far has been in the shape of few schemes of ameliorative nature which could not make sufficient transformational impact and, therefore, much still remains to be done. Major Dr .V A Narayana principal of CMRCET spoken on this occasion about the proper utilization of scholarship schemes for the benefit of the students.

Entrepreneurship, with its emphasis on innovation, is seen to be the means by which both businesses and economies achieve sustained competitive advantage. The course aims to allow students to formulate an awareness of strategic areas, to critically appraise the related theory and practice of entrepreneurial strategy. At the end of the session all the students gave feedback about seminar session. Few students shared their experience of the sessions. And also Balaram motivated all students utilization for different Govt schemes by their experiences and some motivational thoughts. Vote of thanks offered by EOC convener.

Report on Road safety awareness

A Seminar on "Road Safety for Divyangs" held at CMRCET, Hyderabad on March 12, 2018 by M.Kishan Nayak **DTO** Medchal gave informative lectures to the students. They informed the students that owing to the violation of traffic rules on roads by underage driving roads have become very unsafe, especially persons.

They presented shocking statistics connected with road rage. According to Road Accident Statistics India 1214 road crashes occur every day in India. 20 children under the age of 14 die every day due to road crashes in the country. One serious road accident in the country occurs every minute and 16 people die on Indian roads every hour.

They made students aware of the newly passed Road Safety Juvenile Driving Laws. According to the recently implemented Road Safety Bill 2016 the guardian /owner shall be deemed to be guilty in cases of offences by the juveniles and juvenile shall be tried under JJ act.

The representatives from the Traffic Police. Telangana appealed to the students to follow traffic rules to maintain safety for one and all.

The students enjoyed the interactive session with M.V. Reddy medchal collector and were inspired to take the message back home about how critical road safety is. They were given the responsibility of ensuring that their family members follow the rules of the road, as breaking rules might be dangerous or fatal. Professor B Prasad explained the risks of wheeling on the roads. He requested underage students not to drive vehicles on the road and to be civic conscious citizens.

Principal Major Dr V A Narayana and M.Kishan Nayak flagged off the safety walk at which teachers, college bus drivers, cleaners and other support staffs were present. The students walked till the Kandlakoya area and spread awareness by holding placards with messages of safety on the roads while driving and walking, shouted slogans and distributed pamphlets.

The policemen who were on duty on Medchal Road, assisted in the smooth movement of traffic and safety of the students on the walk.

Benefits of Road Safety Barriers

Roads and highways should be designed and constructed in a way that ensures and guarantees safe, effective, convenient and efficient transportation of people and different kinds of goods or materials. It is always recommended and it is expected for drivers to travel at speeds which are appropriate to the conditions of the roads in order to reach their final destination in a safe manner. Still, car accidents and crashes are common unwanted events. Every year the number of car crashes and accidents in Telangana state.

There are many reasons why car accidents happen on the roads, such as:

- Driver's driving habits or error
- Driving over speed limits
- Driver's fatigue
- Alcohol or drug consumption
- Mechanical failure of the vehicle
- Tough weather conditions such as rain, snow, wind etc.

When drivers loose control over their vehicles, there are high risks of collisions and impacts with other vehicles or objects near the road. Therefore, the roads and highways need to be constructed and designed with safety road barriers. Road safety barriers are described as vehicle protection systems which are specially designed to protect the vehicles on the roads, to save many lives and to be maintenance free for at least 30-50 years.

Outcomes

1. It recognizes that prevention efforts notwithstanding, road users will remain fallible and crashes will occur.
2. It stresses that those involved in the design of the road transport system need to accept and share responsibility for the safety of the system, and those that use the system need to accept responsibility for complying with the rules and constraints of the system.
